07 —— HOW WE WORK · हमारा तरीका

# बात से लॉन्च तक।

## Simple process, written terms

**1**

**Free call**
20 minutes to understand your business and goals.

**2**

**Fixed quote**
Written scope, price and timeline within 24 hours.

**3**

**Design & build**
WhatsApp updates; you review every stage.

**4**

**Launch & support**
Go live, hand over everything, 30 days support.

## Terms & conditions

- All prices are in Indian Rupees (INR). GST (18%) is added only where applicable, and a proper invoice is provided for every payment.
- Payment: 50% advance to start, 50% before final delivery or go-live. Projects above ₹1,00,000 are billed 40% / 30% / 30% by milestone.
- Hosting is free for the first year with every website (domain too with Growth & E-commerce Store); from year 2 it renews yearly as per page 04, with a reminder 30 days before.
- Other third-party costs — Shopify or plugin subscriptions, business email provider fees, WhatsApp (Meta) conversation charges and AI usage — are billed at actuals or paid directly by the client.
- Timelines start once the advance and required content (text, photos, logins) are received.
- Revision rounds are as listed per package; extra rounds are charged separately. Scope changes are quoted and agreed in writing first.
- Full ownership of files, code, domain and accounts transfers to the client on final payment.
- AI monthly plans cover hosting, monitoring and improvements; they can be paused or cancelled with 30 days' notice.
- This price list is valid till 31 March 2027. Final pricing is confirmed in a written quote.
